

Summer 2024 Quick Reference Schedule

The SMU Summer 2024 Quick Reference Schedule, updated once a week, is intended to give a person a quick look at all the undergraduate class offerings for a term as well as all graduate Dedman, Meadows, Lyle and Simmons classes. For the most up-to-date course information, visit Access.SMU at <https://access.smu.edu>. Log in using your SMU ID and password, or view the schedule information as a guest by clicking on the guest features in the upper right hand portion of the page. Please note that Directed Study, Taos and SMU Abroad classes have been excluded from the Quick Reference schedule. Please view the individual SMU in Taos and SMU Abroad schedules for course listings. Also note, the courses in these documents are ordered according to the Session in which they are offered--Summer I, Summer II, or the Full Summer Session. Summer I courses are listed first (see S1 in the session field), followed by the Summer II courses (see S2 in the session field), which are followed by the Full Summer Session courses (see S3 in the session field). Textbook information, including ISBN, is available on Access.SMU. For more information visit <http://smu.edu/registrar/ViewTextBook.asp>
