Understanding the Degree Progress Summary Report

The Degree Progress Summary Report provides an at-a-glance look at the progress a student is making toward the fulfillment of a UG degree from SMU. Each section below corresponds to a screenshot example on the second page.

Section #	Section Name	Explanation
1	**Header**	The header contains information that identifies the student and the program(s)/plan associated with the student: **Name**: Student's name **ID**: Student's SMU ID **Current Date**: Pertains to the data covered in the Degree Progress Summary Report from the *Name* section to the *Student Group(s)* section. It represents the status of the student's record as of that date. **Report Date**: Represents the date when the user last ran the student's DPR, which pulls the data covered in the Degree Progress Summary Report from the *General Requirements* section to the end of the report. (**Note:** The Current Date and Report Date may be different, depending on when the DPR was run.) **Report Type**: Identifies the type of DPR that was run to produce the UG Summary Report (Self-Service, Administrative, What-If).
2	**Program/Plan**	Programs and plans display on the Degree Progress Summary Report in same order that they are entered in the system on the Student Program/Plan pages. The first program listed is the student's primary program. The first plan listed is the student's primary plan. Majors display before minors within a given program. **Admit Term** The term a student was admitted to the university **Admit Type** Displays the criteria under which a student was admitted **High School Grad. Date** The date a student graduated from high school **Program**: Lists all UG programs associated with the student **Graduation Term**: Displays expected Graduation Term for each program **Program Status**: Student's status in program as of Current Date **Plan**: Lists the majors and minors associated with the student **Requirement Term**: Indicates the catalog year for a student's plan
3	**Transfer Work**	**Transfer Units**: Total units of approved transfer coursework **Transfer Grade Points**: Total grade points for approved transfer coursework **Transfer GPA**: GPA for all approved transfer coursework
4	**Enrollment Terms**	**GPA**: Defines the method of computation used to calculate the SMU GPA (Grade Point Average) and provides a URL for more information on grading rules. **Term**: Represents each term that the student has been enrolled in. **Term Statistics**: Displays total Units Attempted, total Units Earned, total Grade Point Units and the GPA of SMU coursework for a given term. **Cumulative Statistics**: Displays the cumulative total of Units Attempted, Grade Point Units, and the Cum GPA for SMU coursework (Units Earned represents all coursework), including and as of a given term. **Notes**: Displays any Academic Standing action (e.g., Probation, Suspension, Dismissal, Honor Code Violation, etc.) or Withdrawal action entered on the student's record.
5	**Student Groups**	This section indicates if the student is associated with any of the following student groups: University Honors Program, International Student, or Athlete.

6	**General Requirements**	Displays progress towards fulfillment of specific general requirements, including Common Curriculum Courses*University Curriculum Units/Courses or General Education Units, Graduation Requirements, SMU Cumulative GPA, All-College Cumulative GPA, SMU Units, and (where applicable) University Honors Program Units/Courses*/GPA, Business Cumulative GPA. Note: *An asterisk in the Required column indicates a UC or CC requirement is tracked by courses rather than units.
7	**Programs**	Displays Program and Plan requirements, including Total Academic Units, Personal Responsibility and Wellness Units (prior to fall 2020), In-Progress Units, Plan Units and GPA, and (where applicable) Business Units and Business Honors GPA and Advanced Units. In addition, the summary tracks the number of Post-Matriculation Transfer Units and P-Grade Units. The program section is repeated for each program associated with the student. (**Note:** For any requirement listed, the Earned/IP units column includes In-Progress units. However, there is a separate In-Progress line that indicates the total number of in-progress credit that the student is currently enrolled in for all requirements.)
