Join us and engage in conversations with young adults regarding their strategies and motivations to change oppressive public policies. Hear insights from Dr. Evelyn L. Parker, professor and Associate Dean for Academic Affairs at Perkins School of Theology, and Ms. Emma Chalott Barron from the North Texas Dream Team. Student activists — from Irma L. Rangel Young Women’s Leadership School in the Dallas ISD, SMU Embrey Human Rights Initiative and LULAC SMU — will also share their perspectives on the challenges they face.
